### Dual Primary Suites in Hanson Park!

8800 W. 2nd Ave, Kennewick, WA

Nestled in the highly-desired neighborhood, Hanson Park, sits this gorgeous, two-story home with a 3-car garage. Buyers may feel the quality of this home when they see the abundance of windows providing natural lighting, crown molding, surround sound availability, dual-zoned HVAC system, high ceilings and newer flooring throughout. Sellers have bumped up their insulation to R-60 by adding insulation throughout the home and over the garage, cutting their energy bill in half. They've also added a new, tankless water heater and increased kitchen counter space and storage with an extra kitchen cabinet, complete with a butcher block countertop. Downstairs boasts of two fireplaces and of two living rooms, unless one desired to make the vaulted living room into a formal dining space, as they have, for an extra-dramatic entertainment floor. There is also an office with French doors...Scan QR Code for More Information.
