168	Fall Sports	January 15

172 The following procedures will be followed:

183

184 185

186

187

- Annual evaluations will be based on all observations and any documented discussions with the employee for the contracted sport or activity season.
- Following each observation the evaluator will document the date, time, and observer.
- If any performance is judged "Unsatisfactory," the results will be documented on the evaluation
 form. The completed evaluation form will be shared with the employee within three (3) working
 days.
- When a rating of "Unsatisfactory" is given for an item on the evaluative criteria the evaluator must include the following in the comments section of the form, following the item: a clear description of the problem, detailed recommendations for improvement, specific acceptable levels of performance, and a specific timeline for attaining satisfactory performance levels.
 - The employee may list any factors limiting accountability.
 - The employee's signature on the evaluation form indicates the employee has read and discussed the observation or evaluation but does not necessarily imply agreement. The employee will have the exclusive right to attach a statement, and he or she may seek relief through the grievance procedure.
- Timely distribution of the final performance evaluation form will be: one (1) to the employee, one (1) to the evaluator, and one (1) to the personnel file.
- Only four (4) ratings will apply for the evaluation criteria: "Satisfactory," "Needs Improvement,"
 "Unsatisfactory," and "Not Observed." All criteria must be marked with one (1) of these ratings.
- A high school assistant and all middle school coaches may be evaluated prior to 50% of the
 competitions during the regular season. Anyone who receives an "unsatisfactory" will receive
 notification in writing, and a copy will be sent to the Association president and the Associate
 Superintendent of Human Resources. If the plan of improvement is not followed and the
 evaluation is not satisfactory by the end of the season, that coach may be non-renewed at the
 end of the season. An appeal would go directly to the Board.

198 Section 5: Renewal / Non-renewal

199 High School Head Coaches

200 A newly-hired head coach has a right to interview and recommend his or her assistants **prior to his or**

201 her first season.

202 Either prior to or after a head coach receives his or her evaluation, he or she may be placed on a one-

203 year probationary status. The District must inform a coach about his or her probationary status **prior to**

204 the first practice of his or her next coaching season. After the District and the Association agree to a

205 plan of improvement for the head coach, the District will implement the plan of improvement. If the 206 athletic director at the head coach's school determines at the end of the season that the head coach has

- 207 not shown satisfactory improvement, the head coach may be non-renewed.
- 208 The plan of improvement must be clear, fair, and measurable. Copies of the plan of improvement must
- be given to the head coach, Association president, athletic director, and the Associate Superintendent ofHuman Resources.
- 211 High School Assistant Coaches

212 If a head coach announces he or she is resigning before the season's non-renewal date, his or her

assistant coaches will not be renewed. If the head coach resigns after the season's non-renewal date, his or her assistant coaches will be guaranteed an interview with the new head coach.

Any previous assistant coach who is not selected for an assistant coach's position will be assigned by the District administration for one (1) season only paid at the coaching step of that position and retaining his or her experience level. If there are more displaced coaches than open positions, normal hiring practices would apply and the coach(es) not hired would be placed in a flex position and paid at that group rate at his or her current experience level. These coaches can't be used as flex coaches in the program or school from which they were out

from which they were cut.

221 Written Notification of Non-renewal

Written notification of non-renewal of a supplemental contract for the succeeding school year will occur according to the following timelines:

233	Winter	May 15
234	Spring	June 30

235 The deadline for written notification of non-renewal of a supplemental contract that is not tied to a

season is **June 30**.

237 Section 6: Grievance Procedure

238 Purpose

The purpose of this grievance procedure is to provide a means for the orderly and expeditiousadjustment of a grievance by an employee or group of employees.

Every reasonable effort will be exerted to resolve grievances before the close of a school term, or as
soon as possible.

243 Informal Communication

Every effort will be made to settle problems at the lowest level through informal communication

245 between the employee(s) and the immediate supervisor. Grievances may not be processed through this

246 procedure until there is evidence informal two-way communications have failed to resolve the issue.

247 Definitions

²⁴⁸ "Grievant" will mean an employee or a group of employees, or it will mean the Association when it is

filing a grievance on behalf of an employee or a group of employees. A grievance in which two (2) or

250 more employees have the same complaint will be processed as a single action. The Association has the

right to be present and, if the employee elects, the Association will represent the employee at any point

in the procedure.

253 "Grievance" will mean a written statement by a grievant that a controversy, dispute, or disagreement of

any kind or character exists in the interpretation or application of the terms of this agreement or of an

- existing Board policy or administrative regulation, and/or there exists a condition jeopardizing employee
- health and safety.

257 "Days" will mean contracted working days during the school year and weekdays during the summer.

Any grievance actions carried over from the school year will be placed on the summer schedule by

agreement of the Association and the District.

260 Procedures and Steps

A grievance must be filed within 30 days of the occurrence of the event on which the grievance is based.

The timelines and procedures will be strictly followed, unless waived in writing by the parties. Failure of the grievant to follow the timelines will mean the grievance is withdrawn. Conversely, failure by the

264 District to follow the timelines will automatically qualify the grievance for advancement to the next step.

When filed in the name of the Association, grievances relating to interpretation and/or application of this agreement may be initiated at Step 2.

267 Step One: Immediate Supervisor

268 The grievant(s) submit(s) a grievance review request (Form A) to the immediate supervisor. The

supervisor will offer to meet within five (5) days after receipt of the request and will render a written

decision to the grievant(s) within five (5) days after the formal meeting. A copy of the grievance review

request will be sent to the Superintendent and the Association president. A copy of the written decision

272 will be sent to the Superintendent and the Association president.

273 Step Two: Appeal to Superintendent

- 274 If the grievant(s) is not satisfied with the decision of the immediate supervisor at Step One, the grievant
- 275 may refer the grievance to the Superintendent within five (5) days after the receipt of the decision. A
- 276 copy will be given to the grievant's immediate supervisor. The Superintendent will meet with the
- 277 grievant(s) within five (5) days after the grievance has been referred to him or her. Both the

- 278 Superintendent and the grievant(s) may have other people present at the meeting who might contribute
- to an acceptable adjustment of the grievance.
- 280 The Superintendent will render a written decision on the grievance (and any adjustment) within five (5)
- 281 days after the grievance has been heard. Copies of the Superintendent's decision will be sent to the
- grievant, the grievant's immediate supervisor, and the Association president. The Superintendent's officewill keep a copy.

284 Step Three: Appeal to the Board of Directors

- 285 If the grievant is not satisfied with the disposition of his or her grievance at Step Two, or if the
- 286 Superintendent or designee has not provided a written decision within the timelines prescribed in Step
- Two, the grievant, or at his or her request or at the request of the Association acting on his or her behalf, may ask for a meeting with the Board.
- If a request for a meeting with the Board is not delivered to the Superintendent within 30 days after the meeting prescribed in Step Two, the grievance will be deemed withdrawn.
- 291 The Board will meet with the grievant, Association representatives, and Superintendent within 15 days
- after the Superintendent receives the request for the meeting. Within 15 days after the meeting, the
- 293 Board will render a written decision on the grievance.

294 Step Four: Binding Arbitration

- 295 If the grievance is a claim that this agreement between the District and the Association has been
- violated, misinterpreted, or misapplied, and/or if the grievant is not satisfied with the disposition of this
- grievance at Step Three, or if the Board has not provided a written decision within the timelines
- 298 prescribed in Step Three, the grievance may be submitted to final and binding arbitration, at the option 299 of the Association.
- 300 The parties will attempt to select an arbitrator within 10 days after the Superintendent receives the
- 301 appeal from the Association. The arbitrator's decision will be final and binding. If the parties are unable
- 302 to agree on the arbitrator, a list of arbitrators will be requested from the American Arbitration
- 303 Association or the Federal Mediation Conciliation Service.
- 304 The parties will select an arbitrator under the rules and procedures of the American Arbitration
- 305 Association or the Federal Mediation Conciliation Service. As an alternative, by agreement, a
- representative of the Board and a representative of the Association may select an arbitrator from a list of
- 307 eligible candidates by alternately striking names until only one (1) name remains.
- 308 The hearing will proceed under the Voluntary Arbitration Rules of the American Arbitration Association 309 or the Federal Mediation Conciliation Service, unless the parties agree to proceed under expedited rules.
- 310 The arbitrator will submit a decision in writing not more than 30 days after the close of the hearing.
- 311 During the arbitration, neither the District nor the Association will be permitted to assert evidence not
- 312 previously disclosed to the other party. Each party will bear the full cost for its side of the arbitration and
- 313 will pay one-half the cost for the arbitrator and/or any administration fees.

314 Freedom from Reprisals

- 315 No reprisal(s) will be invoked against any employee for processing a grievance or for participating in
- 316 any way in the grievance procedure.

317 Powers of the Arbitrator

318 The arbitrator will have no power to alter, add to, or subtract from the terms of this collective bargaining 319 agreement.

320 **Release Time**

- 321 Grievances will ordinarily be processed during the regular workday and release time will be provided
- 322 for all participants in the investigating and processing of grievances, including release time for the 323 grievant, Association representatives, and/or witnesses.

Section 7: Layoff and Recall 324

- 325 In the event the District anticipates a significant loss in revenue or change in program requiring a
- 326 reduction in work force, the District will follow the procedures in this section. Prior to eliminating any 327 positions, both parties will request to negotiate the contract.
- 328 Reductions will not be made without a thorough review of programs and options available. The Board
- 329 will notify the Association of the proposed layoff at least 30 calendar days before the proposed layoff
- date and will provide to the Association a report of the financial situation, anticipated program changes, 330
- 331 and needed staffing levels.
- 332 Reduction in work force will be negotiated between the parties.

333 Section 8: Position Openings

- 334 **Definition of Terms**
- 335 "Vacancy" is a position that has been permanently vacated, or one that has been newly created.
- 336 "In-building" refers to part-time or full-time employees who serve within the school building.
- 337 "In-District" refers to part-time or full-time employees who are employed by the District.
- 338 "Out-of-District" refers to people not currently employed by the District.
- 339 "Experience" is defined as the total number of years as an extracurricular employee, as recognized by
- the District. Experience may be accrued only in one-year increments, and no coach may accrue 340 experience of more than one (1) step during a one-year period. 341
 - **Hiring Procedures**

342

343 Vacancies will be advertised for five (5) working days. If the position requires specific qualifications, 344 those qualifications will be listed in the job announcement.

- 345 All in-District applicants will be reviewed and screened for consideration. All candidates will be notified
- 346 by the Human Resources Department when a position is closed and/or has been filled. The most
- 347 qualified applicant will be selected by the site administration or designee based on these job qualifications and criteria: 348
- 349 • Demonstrated short- and long-term organization and management skills • Three (3) current recommendations 350 • Demonstrated evidence of being a positive role model 351 • Clearly-defined philosophy for the coaching level applied for 352 • Coaching experience in that sport 353 354
 - Evidence of effective public relations •

- 355 • Demonstrated ability to work cooperatively and communicate with students, parents, assistant coaches, administrators, and community members 356 Evidence of WIAA certification and compliance with WIAA and District rules and 357 • 358 regulations 359 The above timelines for selection of supplemental contracted staff will always be observed, except in 360 situations where the selected coach gives his or her notice of resignation on or after the 12th working day prior to the first day of practice for the athletic or activity season. In that case, the 361 administration may execute an emergency selection process after first notifying the Association 362 363 president or vice-president of the emergency. This process will enable the selection of an available, 364 qualified person to start the first day of the sport or activity practice. Additional Hiring Procedures (High School Head Coaches) 365 366 Vacancies will be advertised in-building, in-District, and outside the District concurrently for a minimum of five (5) working days. 367 368 The Association and the District will agree to the job posting. (In the event of a disagreement, WEA 369 Southeast Uniserv will provide a trained mediator at no cost to the District.) 370 Every in-building and in-District candidate who currently holds a coaching contract in that sport or a crossover sport is guaranteed an interview. 371 372 The interview pool may consist of candidates from inside the District and outside the District. 373 The Association and the District will determine the need for an ombudsman to review hiring for head 374 coaching positions. If a conflict exists over having an ombudsman, the Association and the District will 375 go to mediation to solve the matter. (In the event of a disagreement, WEA Southeast Uniserv will 376 provide a trained mediator, at no cost to the District.) 377 Reference checking will be done prior to interviews. 378 To ensure a uniform experience for each applicant, specific directions will be given to interview teams 379 prior to interviews. 380 The interview team will interview the candidates, rank the candidates, and reach a decision. All candidates will be notified of the interview team's decision in a timely manner. 381 The interview team may be composed of the following: the Superintendent or designee, the building 382 principal, the building athletic director, community member(s), and building staff. The composition of 383
- the team may change by agreement between the Association and the District.

- 386 The interview team makes the recommendation to the principal.

- 587 for the following year. Any paperwork submitted after that time will be taken from the individual's
- 588 professional development fund for the following year.
- 589 Up to fifteen (15) employees may bank one (1) of their professional development stipends (\$325) on a
- 590 first-come, first-served basis. Those who want to bank a professional development stipend must submit
