**Good daily driver, we are upsizing due to growing family. Ford Focus SE with 142,300 miles, 2.0 L 4-cyl, front-wheel drive, automatic transmission, cruise control, AC/heat, power windows, power locks. Car is in fair condition save for some minor cosmetic damage which can be shard and radio does not work. This model of focus commonly has clutch issues in the transmission due to a manufacturing design. They may need to be replaced in the future but is ready to drive. Does shutter from time to time when shifting from gear, one to gear two. New tires with less than 10,000 miles on them. 3-month-old heavy duty battery installed. I'm the 2nd owner. Clean title! Asking \$3,500 OBO. If interested, please reach out to [pjunk2222@gmail.com](mailto:pjunk2222@gmail.com) for more info/pictures!**
